Dear Saskia Palay:

I am responding to your letter of June 11 to our headquarters in Chicago. We would be delighted to help you in any way possible so do feel free to call me when you care to do so.

Our next meeting of the study groups together is on July 10 at the Culver City Veteran's Memorial Bldg at 1 p.m. That building is located at the corner of Overland and Culver Blvd. You can take the Santa Monica Freeway to San Diego Freeway and then get off at Culver Washington offramp, which is immediately, then take Culver Blvd. a very few blocks to Overland.

Each Wednesday evening there is a study group in the home of Charles and Dorothy Hicks in West Los Angeles. Do call them if you care to attend. Their telephone is 472-8722 and they would be so happy to help you in your studies. We have several study groups in people's homes and that is a good way to study and to expand your own learning.

We were advised in early days to build thousands of study groups and as we are yet in the infant stage we only have about 250 study groups but they are growing in number quietly and without any advertising. I have visited several in various parts of the world such as Australia, Hawaii, Alaska and Canada as well as in the United States and it is a deep joy to see the unity of spirit everywhere.

Please call me if I can be of any help and I do hope to see you at our meeting on Sunday the 10th of July.

With warm personal good wishes,

Julia K. Fenderson
